PRIOR LAKE, Minn. – Aug. 15, 2023 – Thrash metal legends Megadeth are set to take the Mystic Showroom stage with special guest Biohazard at 8 p.m. Saturday, Sept. 30, 2023.

Dave Mustaine founded Megadeth over 30 years ago and pioneered the sound that would become known as thrash metal. In the decades since, they have become one of metal's most influential and successful acts with albums like "Killing Is My Business...And Business Is Good!" and "Peace Sells...But Who's Buying?"

Megadeth have sold more than 38 million albums worldwide. They had five consecutive Platinum albums including "Peace Sells...But Who's Buying?," "So Far, So Good, So What!," "Rust In Peace," the double-Platinum release "Countdown to Extinction" and "Youthanasia." They have been nominated for 12 Grammy Awards, winning one for Best Metal Performance with the song "Dystopia."

The band is known for hit songs like "Hanger 18," "Symphony of Destruction," "Sweating Bullets" and "She-Wolf." In 2016, their 15th album, "Dystopia," debuted at No. 3 on the Billboard Top 200. It reached No. 2 on the Top Album Sales chart and No. 1 on the iTunes' Metal chart and the Hard Music/Top Rock chart.

More than three decades later, with Mustaine firmly at the helm, there are no signs of slowing down. Their latest album, "The Sick, The Dying... and The Dead!" stands as a thunderous testament to the band's enduring mastery of thrash metal. With blistering guitar riffs, Dave Mustaine's signature vocals, and a lyrical exploration of mortality and decay, the album delves into the darkest corners of the human experience. The album is a visceral journey that takes listeners on a quest to confront the complexities of life and death and solidifies Megadeth as pioneers of the genre.
